

CAS 'Bark & Purr' Update

Show Your Love...Adopt or Sponsor Our CAS Adoption Shelter Dogs & Cats

Primrose

Primrose is recovering from a mild skin issue. She is doing well with two showers a week and loves her long long walks.

Harry

Harry remains cautious and aggressive with people he does not know. He is however excellent with familiar handlers.

Ah Leng

Ah Leng is good with people she knows and is an excellent companion if one is willing to give her time. Leng is recovering from heartworm and has just gotten her first injection as part of heartworm.

Mel

Mel is still shy and cannot be touched. She is happy to take her treats off her bed and play with other dogs.

Courtney

Courtney is loving the outdoors and recent muddy patches. She enjoys walks in green areas.

Dash

Dash has gotten better on walks and is slowly adjusting to the environment in Sungei Tengah where there are other dogs around him. It is still a work in progress with his dog aggression issues.

Sandy

Sandy is still shy as can be but adores the familiar people she knows. Sandy also loves treats.

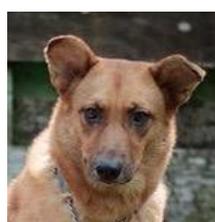

Sammy

Sammy has since passed on due to various medical ailments. He had also completed chemotherapy but the poor lad did not manage to pull through eventually. Sammy will be fondly remembered.

Elvis

Elvis is doing well appetite-wise. He loves his meals and treats. The poor lad has not regained any mobility in his legs so he enjoys his rides in a cart.

Nina

Nina is doing well with her meals and spends most of her time lazing on her bedding.

Bindy

Bindy has passed on due to an infection that affected her leg badly. We will fondly remember her as part of the CAS family!

Fokker

Fokker remains wary of people he does not know. He is otherwise happy to mingle with familiar faces.

CAS Dog & Cat Updates – DECEMBER 2021

Gimmy

Gimmy remains an adorable and excitable dog. She is still very high energy when she is playing with toys but is otherwise a fun outdoor companion.

Bullet

Bullet passed on due to kidney failure and pancreatitis. We will fondly remember him as part of the CAS family!

Oliver

Oliver is doing well under the care of Shindy, his foster mum. He is still a quirky character and would take a very special cat person to give him a home!

Siam

Siam is still well cared for by Felicia and her mum. She remains in foster care due to her respiratory issues.

Minnie

Our friendly fiv girl is currently being fostered by Randeep and is looking for a home to call her own.

Pepper & Soba

Pepper and soba are still waiting for their forever home while being fostered by Clara and Ziyang.

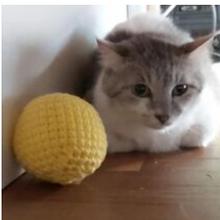

DouDou

Doudou has found home with Diana and her family.

Blackie

Blackie has found home with Diana and her family.

Lil John

Lil John found home with Huiqian after almost a year of waiting.

Kai

Kai is with foster and waiting for his forever home.
